### **The Eastside Project gains advisory group**

A group of faculty have formed the Associates of the Eastside Project to advise and support the East San Jose-based project.

The associates are Judith Dunbar, English; Joanne Gainen, Teaching and Learning Center; Michael Moynahan, S.J., religious studies; John Privett, S.J., rector of the Jesuit community; and Tom Shanks, S.J., College of Arts and Sciences.

The associates are planning February's Faculty Forum, which will discuss ways to use the Eastside Project as an educational tool.
