The papers in this volume represent the best historical essays written by students of Santa Clara University and submitted to Historical Perspectives in the winter and spring of 1988. We are proud to present these diverse representations of the quality produced at Santa Clara, and would like to thank all of those who submitted papers for publication, since much good work had to be omitted for lack of space. We also would like to thank Fr. Gerald McKeivitt, S.J. and Peter Pierson for their support in bringing this journal to print. Jennifer Skyles kindly undertook the drudgery of transforming the edited manuscripts into the attractive papers you see here presented.
