The Series II, Volume I, issue of *Historical Perspectives* is the seventh published by Santa Clara University's Lambda Upsilon Chapter of Phi Alpha Theta. This volume includes a more diverse selection of articles and some format changes.

This journal is a compilation of papers written by undergraduate students of history at Santa Clara University. Papers submitted to the Phi Alpha Theta editorial board were reviewed, selected, and edited for publication. Those chosen represent diverse issues encountered by the students in their courses.

I would like to thank all those who submitted work and encourage all to continue historical investigation. Also, I would like to thank the faculty advisors of *Historical Perspectives*, Professors Jo Burr Margadant and István Mócsy, for their continual editing efforts. Finally, the board would like to thank Ann Beyer, the History Department administrative assistant, who was instrumental in bringing this journal to print.
