ACKNOWLEDGMENTS

Volume II of *Historical Perspectives* is the eighth published by Santa Clara University's Lambda Upsilon Chapter of Phi Alpha Theta. This volume represents an ongoing search for diversity of topics and excellence in scholarship.

This journal is a compilation of papers written by undergraduate students of history at Santa Clara University. Papers submitted to the Phi Alpha Theta editorial board were reviewed, selected, and edited for publication. The papers chosen are representative of the broad issues and topics encountered by students in their courses.

I would like to thank all who have submitted work and encourage all to make the study of history a lifelong pursuit. I would also like to thank the faculty advisors of *Historical Perspectives*, Professors István Mócsy and Robert Senkewicz, S.J. for their dedication to the excellence of this journal. A special thanks must also go to Ann Beyer, the History Department administrative assistant, who had the difficult task of bringing this journal to print.
