## Acknowledgements

Volume III of Historical Perspectives is the ninth published by Santa Clara University's Lambda Upsilon Chapter of Phi Alpha Theta. As members of the editorial board we have focused our efforts on providing you, the reader, with articles which we feel are both thought provoking and timely.

This volume is a compilation of papers written by the undergraduate students of history at Santa Clara University and includes a plethora of subjects and periods which we believe are representative of the writing excellence promoted by SCU. Papers submitted to the Phi Alpha Theta editorial board were carefully reviewed, selected, and then edited for publication. The papers chosen exemplify the numerous issues and topics encountered by students during their course work.

First, we would like to thank all those who submitted their work for consideration. We are grateful for your enthusiastic support. We would also like to thank the faculty advisors of Historical Perspectives, Professors Dorothea French and Robert Senkewicz, S.J. for their dedication and assistance in making this publication possible. And finally, a special thanks to Ann Beyer, History Department administrative assistant, whose tireless efforts brought this journal to print.
