In Appreciation

The History Department would like to take this opportunity to express our appreciation for the generosity of our alumni. Their donations to the department have made this volume possible.

The following projects are also funded by the unstinting support of history alumni. We wish to thank those of you who have been so generous in providing these opportunities that enrich the educational experiences of this generation of history majors.

- Each year the History Club sponsors a special program for majors. This year Professors Robert Senkewicz and George Giacomini will lead a bus tour of San Francisco, focusing on the major historical areas of the city.
- The Phi Alpha Theta chapter is sponsoring a Historical Workshop for members in March. In April a few of these students will travel to Pacific Union College to participate in the annual Northern California Regional Phi Alpha Theta Conference.
- Several students in the historical writing course are doing advanced research for their papers. These projects require funds for copies and services at other institutions.
- The twenty thousand slides given to the department by Professor Peter O'M. Pierson continue to be catalogued by department's student assistants.
