In Appreciation

The History Department would like to take this opportunity to express our appreciation for the generosity of Santa Clara University alumni. Their donations to the department have once again made the annual publication of *Historical Perspectives* possible.

The following projects are also funded by the continuous support of history alumni. We wish to thank those of you who have been so generous in providing the funds necessary that enable learning outside of the traditional classroom environment.

1. The History Club sponsors an annual trip for history majors. This year Professors Robert Senkewicz and George Giacomini will lead a bus tour of Monterey Bay, focusing on the major historical sites of the city.
2. The Phi Alpha Theta chapter is sponsoring a Historical Workshop for members in April. During the same month, a few of these students will have the opportunity to visit San Jose State University to participate in the annual Northern California Regional Phi Alpha Theta Conference.
