Glorious things are said of thee, O City of God.
And they shall say of Sion, "One and all were born in her."
The Most High Himself has established her.
The Lord writes in the book of the peoples,
"It is there that they were born."
Psalm 86

Sons of Santa Clara are sons of many peoples, and
yet we are one. As we came from a score of nations be-
yond the restless waters of the Golden Gate, and from a
thousand cities of the Americas, in us is incarnated the
unity and universality of the Church. But more challenging
to us—the "glorious things" of the Church of the future
are in our hands.

Teach us to number our days in grace, O Lord, that
we may grow in Thy Wisdom for our work across the
world. And prosper the work of our hands and heart in
Thy Name.
On May 12, Father Edward J. Zeman passed to his eternal reward in the sixty second year of his life, his thirty sixth in the Society of Jesus.

Father began his priestly life on campus, when he was ordained by His Excellency, Archbishop Mitty in the Mission Church, June 19, 1936, and most of his work was in the service of Santa Clara as Vice President for Finance and Secretary of the Board of Trustees.

He previously held the same post at the University of San Francisco, and from 1942 to 1948 he was President of Loyola High School in Los Angeles.

The students of the University of Santa Clara proudly dedicate this 1960
Redwood to Father Austin J. Fagothey, S.J. For a quarter of a century this man
of God and men has labored at the University. This apostle of chalkdust, of
books and of Broncos has given twenty-five years to Santa Clara, and we are happy
to take this occasion to salute him and express a word of praise and gratitude.

It would be next to impossible to appraise the labors and stature of this
man. Priest, outstanding philosopher, professor, public lecturer, author, retreat
master, yes and prefect, Father Fagothey has achieved a record of unusual merit.

As member of the Board of Trustees, he is a man of substantial influence in
University affairs. For many years he headed the Department of Philosophy, and
his newest challenge is directorship of the University Honors Program. His book,
"Right and Reason" has gone through two editions and four re-printings and has
proved both successful and popular as a text in Moral Philosophy in many uni-
versities in America. Frequent guest lecturer at other institutions of learning both
private and public, he also serves as visiting professor in Summer Sessions at
coastal and midwestern universities. Foremost a man of God, each Sunday of
the academic year finds him assisting in a parish church in Santa Clara. And if
all this were not enough, he holds down the job of prefecting in Walsh Hall!

We admire not only what Father has done, but the way, and the spirit of this
man, especially his charity and his humility. The most unassuming of men, with
his quiet manner, his understanding heart, and his inability to say no to any call
for work, any job, any assignment, any service whether academic or spiritual to
the students, the University and to the Church — this has been a continual inspira-
tion to Santa Clara Broncos both on and off campus for these past fifty semesters.
Make it a hundred semesters, Father!
Reverend Austin J. Fagothey, S.J.
STATE CAPITOL, SACRAMENTO
Each year the Editor of the Redwood reserves this space for some statement from the President which will catch up all of the things that the curriculum has either overlooked or underemphasized. The solemnity of the occasion surely calls for something cosmic, pithy and memorable. In the absence of these dimensions and qualifications I am forced to fall back upon the only remaining ornament which is brevity. In this respect, I hope you will realize in your lives the lessons which you have learned at Santa Clara. May you fulfill the promise which is in you and may you be an inspiration to all whose paths you cross. Above all else, may you live a life worthy of the promises of Christ.

Senior Class President
Ed Gallagher
This year marks the complete metamorphosis of a propulsive organization, the Class of 1960. These seniors sparkled, particularly in the academic and athletic spheres, but their achievements certainly were not restricted to those endeavors alone. However, in a brief class history only a glimpse of the thought and performance of the members is revealed.

In the academic field this class will undoubtedly produce some of the country's outstanding leaders in the professions, government and industry. Many class members will carry the spirit of Santa Clara to graduate schools across the nation.

Every facet of intercollegiate sport here at Broncoville owes its success in part to the men of the class of 1960. Some of its members received nation-wide acclaim in the hoop sport, on the baseball diamond, in the boxing ring and in other sports where the University was represented.

While an active social pattern has never been lacking in the lives of these dauntless personages, they made continual progress in this aspect of university life, although at times further development seemed desirable.

Certainly an important part of Santa Clara will leave with the Class of 1960. Still, a more important part of the class will remain with the school. This part is the tradition which is, has been, and will continue to be Santa Clara.

Why study? You’ve got no finals

But where’s Miss Kitty?

Five years man

Sleeping Buddha

You’re faking

Bugs Bunny

Why, hellow, Pixie!

What barber’s license?

Look ma, no cavities!

Reno or Stateline?

PRIVATE PROPERTY
RECORDING WILL BE
REQUIRED

What’s on the program for tonight?

Stateline or Reno?

Poison Ivy, Don?

Well, according to Aristotle...

Is this smile sweet enough?

The third national observance of Law Day USA achieved a new level of recognition and acceptance this year in Santa Clara County. In scope and impact it far exceeded expectations. In the United States, Law Day was proclaimed to foster increased respect for law and to give a deeper understanding of its place in our daily lives.

We were privileged to hear the Hon. Raymond E. Peters, Associate Justice of the Supreme Court of California, the featured speaker and guest of honor at the Law Day luncheon, sponsored by the College of Law and the Santa Clara County Bar Association, on Saturday, April 30, in the Hotel St. Claire.

This was the first Law Day observance in which both the Law School and the County Bar Association participated and it promises to be an annual event.
Junior Class President
John Willett
The men of the Class of '61 passed their Junior Year with the customary modest admission that they were the quintessence of all groups ever to grace the Mission Campus. And for once, the bromide was not too far from the truth.

With an Exclusive and a Christmas party, the men established the groundwork for their subsequent reputation as industrious playboys. However, all was not play. By responding to the newly awakened football spirit, the class provided the bulwark of Bronco support.

Following in the best social tradition, the class also sponsored a picnic, an informal dance, a beach party, and the Junior Prom—acclaimed as a classic bash.

Concluding the second semester, the elections brought energetic officers who will lead this socially proficient and dynamic class to a fruitful and distinguished finale of its collegiate career.
It just hurts for a little while.

Undecided—Kneech or Fay?

Fresh intramurals.

Study much?

Marty's ghetto.

Love at first sight.

Salty and two of his boys.

Gee, O B has nice legs.

The abominable snowman.

Stay off my stomach.

Tell 'em Joe sent you.

Have a look at this totoo.

Double barrel.

Everybody wants to see the skin show.

J. P. Jones Jr.

Watching the submarine races.

Tonsorial fiends.
Sophomore Class
President
Ed Pera
The class of '62, while it is a class of diversified interests, once again manifested its distinct personality.

The spirit of the Sophomore class has been extended to all forms of activities. The members of this group were enthusiastic participants in sports, and were well represented in the intellectual aspect of campus life. They enhanced the various social activities of the University and lent color and support to its functions.

Their own class activities were both numerous and successful. In striving to glean the most from their college life, the Sophomores have advanced their cause and show great promise for the future.

"You're way out, man."
Bye bye, blackbird

Pot scrubber! I forgot to get a date

Now, Fusch!

What do I do, Dan? He denied my major premise!

Anything to get into the Redwood

A few more pounds here, Frank

And me without a nickel!

Friendly foes

Bad breath?

Kid Jiggs just took another dive

Count the barrels. I see three

Got 'em all counted?

Be sociable!
I do you mind if I borrow your date?

Sorry, Kim. I got the lost one.

Easy money

Look who we brought... Dr. Livingston.

Going to the Rose Dance, Mike?

Check ape in background

I owe it all to Jim

The Windbreaker at work

Didn't you ever let her go?

Honest John — Used Cars

Mr. Santa Clara, S.J.

Oh stop it, Louie!

Listen, 4-eyes.

Do you mind if I borrow your date?

Maybe sometime I'll hit the big time

Just a cat nap before I set the world on fire tonight
Freshman
Class President
Ed Hendricks
The Freshman Class displayed again and again this year the enthusiasm typical of the true Santa Clara spirit. Under the able guiding hands of the president and his officers, the class compiled an impressive list of achievements in both academic endeavors and sports.

After a spunky initiation, the men got to work on what was probably the most successful mixer of the year. They also contributed many outstanding players to the first Bronco Varsity football squad in seven years, and then embarked on a winning basketball whirl.

The Spring Semester saw a talent-filled baseball team successfully defend Santa Clara on the diamond. Another mixer was staged, and the Frosh also enjoyed their first annual outing at the beach.

The social calendar ended on a happy note with a memorable evening at the Frosh Exclusive in San Francisco, thus marking the close of the year for one of the most outstanding classes to enter Santa Clara in recent years.

The numerous functions of the Engineering Society were only surpassed by the enthusiasm of the officers, chairman and committee members during the year. Under the presidency of Nick Radovicich and guided by Mr. Robert Murray, the Society functioned as a coordinating body uniting the engineering students in activities that broadened their educational spectrum.

Besides monthly meetings with guest speakers and the bi-monthly publication of The Stress and Strain, social events such as the Engineers' Ball at which three hundred and sixty couples enjoyed the music of Jack Kennedy's Quintet at the St. Francis, the Engineers' Exclusive, the Banquet and the Annual Open House were held.

The Vice President post was held by Dick Sherman with Norm Zionek as Treasurer, Jim Segurson, Recording Secretary, Tom Desmond, Corresponding Secretary and Tony Ferrari, Sergeant-at-Arms.
1959-60 was an active year for the AIEE-IRE. At the regular bi-monthly meetings, speakers representing Hewlett-Packard, Lenkurt, and Lockheed Radiation Laboratory addressed the members. The Student Branch hosted the Eighth Region Annual AIEE Student Paper Contest. Ron Ohls, SC entrant, placed second.

Members pitched in to produce an impressive ASUSC Open House exhibit for the Electrical Engineering Dept. The Branch sponsored field trips to Lenkurt and Lockheed, Ames Research Center, Granger Associates and Microwave Electronics Corporation.
The American Society of Civil Engineers once again enjoyed a very successful year under the leadership of Bill Gissler in the first semester and Dick Woodward in the second. The regular meetings featured a wide variety of technical discussions with guest speakers from industry. The Society participated in the Parent's Day exhibitions. First prize in this affair went to Frank Kenefick, and the A.S.C.E. took the departmental prize. The Society also did well in the paper contest at the national convention in Reno. These prizes, along with the excellent meetings and active participation of members in numerous college functions are all indications of a very fruitful year.
As the official weekly publication of the University, the Santa Clara guides, enlightens, entertains and reflects the ideas and attitudes of the students it attempts to serve, and it is an organ of public relations with the community and the Bronco alumni.

During the past year, with Father Curran as moderator, the Santa Clara has attempted to stimulate the growth of constructive controversy and at the same time has tried to perform the delicate task of reconciling and balancing the dual role of its purpose.

This year's Redwood Staff faced, challenged and solved the usual problems that confront a group dedicated to produce a representative yearbook. Although all editors seriously carried out their assignments, special thanks are due Fernando Hernandez for his art work, Tony Diepenbrock and John Regan for preparing difficult sections, Business Manager Ed Lee and to the ad men, Jim Collins and Terry Curtola.
Under the editorship of John Jardine and Gabriel Pinheiro (Fall editors), and Fred Eisele (Spring editor), the Owl continued its string of successful and stimulating issues. This year saw the birth of the "Owl school of poetry," a dynamic first in the annals of poetic development. A major factor in the success of the Owl was the editorials of John Jardine. The growth of the fame of the literary magazine was also enhanced by the short stories of James Douglass.
Last year's graduation left the Forensic Society with few experienced upper division speakers, but the debate team made respectable showings at all of the tournaments in which it participated. The most notable achievement was the continued domination of Santa Clara over St. Mary's in the Foch Debate with the team of Baedeker, Caton and Belmonte defeating the Moragans on their "Home court." Dan Baedeker received the Foch Medal for best speaker in this debate, while Curt Caton received a trophy for After-Dinner Speaking at a western states tournament held at the University of Nevada.
Inspired by a new constitution and a talented, well-balanced ensemble, Santa Clara's world famous Red Hat Band enjoyed its most active and successful year to date.

Action began early in the year with Frosh Week, Open House, the U.S.F. football game plus a few lively jam sessions which provided a warm-up for the casaba season. Before the Los Angeles trip, the Bronco minstrels showed the hometown folk some fancy stomps and ragtimes and won a trophy in the City of Santa Clara's big parade.

After a two-night stand at the opening of the Sports Arena in L.A.'s Exposition Park, the Red Hats followed the victorious basketballers to Civic Auditorium, Moraga, U.S.F., S.F. State and finally, all the way to Seattle and the Western Regional N.C.A.A. playoffs.

The year was rounded off by rousing sessions at the basketball banquet and Parent's Day.
The Galles Chemical Society is a group that is devoted exclusively to Chemistry majors and has as its purpose the growth of knowledge in the science of Chemistry. Since there is no social aspect to the group, the club devoted its time to scholarly pursuits. The year was highlighted by a talk from Dr. Deck, Chairman of the Chemistry Department, who spoke on "antifungi."
Members relax between diggings.

The purpose of the Archaeological Society at the University of Santa Clara is to foster among its members a more profound appreciation and field work in the science of archaeology. The society also functions, under the guidance of its advisors Dr. Frank Flaim and Professor Austen Warburton, as a research organization with services available to the local law enforcement authorities and other interested parties.

This year, under the direction of its advisors, the society conducted a number of scientific probes in several of the Indian burial mounds located throughout the Santa Clara Valley. Discoveries at the excavation sites included several well preserved human skeletons of American Indians and a quantity of artifacts such as beads, arrow-heads and charm stones.

Another scientific discovery
An organization of the Physics majors, this Society furthers interest in Physics by providing informative lectures and movies on topics of current interest in science. Outstanding this year were lectures by Dr. Philip McCormick on "Special Relativity and its Implications" and by Dr. E. W. Morley on "Ether in the Modern World." Movies on reactor technology and space science were obtained from NASA by the members.
The Mendel Society is an organization with a two-fold purpose. It strives to provide for its members the opportunity to become more acquainted with the biological science and it gives them the chance to take part in certain social activities.

The society began the first semester with a trip to Agnews State Hospital. Scientific films were shown at society meetings throughout the year and a lecture on Marine Biology was presented by Professor Thomas Fast. Senior Biology majors presented their theses to the Society during the second semester.

A mixer was sponsored early in the year to raise funds for various activities and two social functions were held with the nurses of O'Conner's Hospital.
One of the most active organizations on campus, the Players presented four productions for the student body and cosmopolitan Santa Clara, and the annual St. Genesius Award was conferred on Mr. Efrem Zimbalist, Jr., of TV's 77 Sunset Strip.

The season included Ibsen's Peer Gynt, Van Druten's Bell, Book and Candle, Priestly's An Inspector Calls, and Anouilh's The Lark in which Hollywood's Miss Kipp Hamilton portrayed the role of St. Joan.

The high success of the season was due not only to the enthusiastic Players themselves but also to Mr. James and Mr. Shea, directors, Father Brusher, moderator and Father McGinity who assisted in public relations.

Father Brasher presents Mr. Efrem Zimbaiist, Jr. with the St. Genesius Award
The organization that is never satisfied with itself, the Sodality racked up another dynamic year, highlighted by the observance of the centenary celebration of the Sodality on the Santa Clara campus. A Solemn High Mass was offered, with Father James J. McQuade, S.J., of St. Louis, National Director of the Sodality preaching the occasional sermon. The Alma College choir sang, and several former Santa Clara Sodalists from as far back as 1898 attended the Mass and the breakfast that followed. In the afternoon, the Sodality sponsored a special Mary's Hour in the Mission Church.

True to its two-fold purpose of personal holiness and apostolic action, the Sodality began the year with a five day retreat in Santa Cruz, conducted the annual mission drive, netting $2000 for the construction of a young Catholic workers center on Formosa and sponsored a picnic for poor children at the Guadalupe Mission in East San Jose.
With Linus Chock at the helm for his third term, 1959-1960 turned out to be quite a successful year for the Hui o Aikane. The incoming Freshmen from the Islands had their first taste of the club's Hawaiian hospitality at the welcoming picnic in October. This kicked off the year's activities which included several informal gatherings to relax from the pressures of school and to sing old Hawaiian melodies. The highlight of the second semester, the second annual Hawaiian Night Mixer, featured the Soft Tones and Polynesian decor.
The Cross Currents Club was founded in 1958 to fulfill a need which exists in any Catholic university—to acquaint the students with the views, opinions, and doctrines of the unorthodox.

This year the club continued this policy, and was the campus' most active sponsor of debates and lectures. Programs ranged from talks by leading figures in the N.A.A.C.P. and the American Civil Liberties Union to debates on the necessity of compulsory R.O.T.C. at Santa Clara. The club's most notable presentation was a debate on capital punishment, with the Bay area's most notable legal figures participating.
The year 1960 marks the return of the Irish Club to the Bronco Campus. Two staunch Irishmen, Jim Mooney and Mike Hensch, with the aid of Senator Tim Finney, pushed their idea through the Senate and drew up a constitution which would enable them to improve the social and academic lives of the members.

Since they purposely planned for the coming year, they were not disappointed in the failure of their efforts to organize their members into a great club in the Spring Semester. With the calendar of events they have planned for the coming year, however, the Irish Club will, without a doubt, be one of the most active societies on campus.
The school year 1959-60 marked the appearance of one of Santa Clara's newest organizations, the Italian Club. Headed by Leon Panetta, the club strove throughout the year to firmly establish its presence on the campus for years to come.

The fifty-three members began the year with a Pizza dinner and rapidly followed this up with three pre-game warm-ups, two dance-parties, a banquet and a few beach parties.

Apart from the social side, the club also presented a group of movies to raise money for the newly initiated Italian Culture Center; it attended as a group a Sunday Mass and breakfast and it presented Athletic Awards to the outstanding athletes in football and basketball.

Italian men enjoy Italian Swiss Colony at the banquet.
This was the first year that the Charles Graham Club took its place as one of the many campus organizations. It was formed not only to fill a service need for the school, but also to serve as a social outlet for its members.

The club sponsored the successful Football Homecoming Day in the first semester and the Basketball Dance in the second. The club members staffed the football committee which was instrumental in the success of the football program. The club also took over the pre-game publicity for the major sports through the media of schedules, handouts, and bulletin boards.
This year witnessed the writing of one of the most colorful pages in the history of the University Glee Club. Under the able baton of Mr. Ross Bergantz, the Glee Club gained a new membership of forty eager voices and presented two well-received concerts.

On December 8, the Glee Club presented "Holiday Concert" featuring guest soloists and a thirty-piece orchestra. Christmas carols along with a cantata, "The Song of Christmas," made it an enjoyable evening for all. On May 8, the results of months of hard work were realized when the Glee Club presented its second concert in conjunction with Parent's Day. Music from the Broadway musicals, "King and I" and "The Music Man" were sung to an enthusiastic audience.

The purpose of the Ski Club is to stimulate interest in skiing, facilitate transportation to ski areas, to obtain seasonal accommodations and rates for its members and to teach the art of skiing to interested students, an innovation which was extremely successful.

The highlight of this past season was the inter-semester ski trip to Reno where many members took advantage of the excellent ski conditions. Other activities included parties before and after the ski season, weekend trips to the Eighth Winter Olympics and other resort areas.
The Block S. C. is formed from men who have received their letters in a major sport for two or more years. It has as its function a dual role: the Society acts as a service organization and places it at the University's disposal, and it attempts to cultivate the manly qualities in its members, making them true representatives of the Santa Clara athlete. Besides handling the parking problem, the Society performed policing duties at many dances this year. Notable among these efforts was the effective job that it did at the Arts and Sciences Ball.
Delta Sigma Pi is an international professional fraternity with the purpose of fostering the study of business in universities as well as to encourage scholarship, social activity and the association of students for their mutual advancement by research and practice.

The Gamma Xi chapter of Delta Sig enjoyed another active year of professional and social activities beginning with an unforgettable Pledge Week. The professional end included several tours to such places as the Ford Motor Co. plant and the IBM plant. One of the more interesting professional meetings was a talk by a Ford representative on the development of the Falcon.

Social activities began with a school dance in October and ended with a steak barbecue in May. In between were several informal parties and a carnival highlighted by the annual Rose of Delta Sig dinner dance at the Almaden Country Club in November.
Alpha Sigma Nu

Jim Douglass
President

Standing: Soderberg, Stelzer, Moynihan, Hall, A. Ferrari.

Alphá Sigma Nu is the National Jesuit Honor Society which is composed of students who have distinguished themselves in scholarship, loyalty, and service at their university. In the first semester of this academic year, the society discussed the possibility of an Honors Program for superior students. As the result of these discussions and of the recommendations made, Santa Clara's new Honors Program was drawn up and inaugurated in the second semester. The society is presently attempting an Honor Code to be used for all examinations at the University.
The Kappa Zeta Phi Service Fraternity is composed of sixty men who have maintained high academic standards and distinguished themselves in extracurricular activities. Fourteen graduating senior members were honored by being selected for Who's Who.

During the year the brothers ushered at all football and basketball games, Family Day, both Open Houses and many other activities. They also conducted tours for more than four thousand visitors to the Santa Clara Mission. The social scene was highlighted by six smokers, two informal dances, two pledge banquets and a beach party.

The fraternity's Man of the Semester Award was given to Louis Castruccio in the Fall and to Norwood Nedom in the Spring.

Harmon Johnson
President

Tau Beta Pi is a national engineering honor society. One hundred and three chapters strong, it seeks to mark with distinction those engineering students who have been outstanding in scholarship with the maintenance of high character. Santa Clara's California Zeta Chapter is now five years old and has succeeded in establishing a tradition of service to the University. This year, under the direction of Vice-President Bob Zeman, considerable effort was concentrated on an inventory of stored war surplus equipment in order that it might be made more available for use. President Johnson represented the chapter at the national convention in October at Purdue University.
Athletic
7 Years Later

“Benny” Rises
Dedication, sacrifice, excellence and love for football could well be the theme of this year's football coaching staff. The Broncos' first venture back to the sport in seven years was highlighted by excellent football players, but a team is no better than its coaches and as such Santa Clara was very fortunate in acquiring the services of Head Coach Pat Malley, Backfield Coach John Pasco and Line Coaches Joe Ramona and Rodis Harvey (not pictured above.)

Coach Malley sacrificed a most lucrative coaching job at St. Ignatius High School to gamble on a group of untested football players who, for the most part, have only played intramural football for the past two or three years.

The assistant coaches sacrificed their afternoons and lent their expert services to the Bronco cause for the insignificant price of the gratitude of the faculty and the student body and a banquet at the end of the season.

Although Santa Clara was only playing on a small time level this year, the coaching staff was undoubtedly big time as proved by the success of the season. To these men do we all owe a sincere thank you.

Four thousand fans gathered at Santa Clara’s Townsend Field October 24, 1959 to witness the warmth, glory, and splendor of Bronco Benny in his return to the gridiron. But this first field appearance in seven years was not one of unmixed glory as the Mission men suffered a 28-8 loss at the hands of a powerful McLellan Air Force team.

Without game experience, the S.C. offense stalled time and again. They managed one strong drive which set the precedent for the balance of the season as they pushed fifty two yards to paydirt in the fourth quarter for the first Bronco touchdown since 1952. The payoff was a five-yard jolt by fullback John Komes as he bulled into the end zone unmolested. A pass from quarterback Jim Fuqua to halfback Jean Ashton rang the bell on the two-point conversion.

Unleashing a vicious second half that just wouldn't let up, the neophyte Broncos chalked up their first football victory in seven years by dumping Alameda Naval Station 19-0.

The rejuvenated Broncos burst forth from an 0-0 halftime deadlock behind the pinpoint passing of Jim Derry and pushed the Navy up and down the field almost at will.

The first scoring play came early in the third quarter when Derry fired an eleven yard pass to Tom O'Laughlin in the end zone.

The second tally, on a twelve yard jaunt by Greg Steber set up by a fifty-five yard pass from Derry to John Stansbury. The final, a fifteen yard cross field pass from Jim to Kaaha who gathered it in at full speed and danced to paydirt.
Meeting a surprisingly tough U.S.F. squad, Santa Clara had to fight every inch of the way to cinch a 26-22 victory. The Dons drew first blood as they capitalized on a blocked punt on the Bronc twelve and the score after the first quarter found Fogville out in front 6-0.

But the Broncos were not to be denied as they fought back and the golden arm of Jim Derry and the sticky fingers of Tom O’Laughlin and Bob Corboy brought two tallies.

Our defensive line must also be given credit for the victory. The bone-crushing tackles of Jim O’Brien, Phil Bannan and Rog Brunello, to name but a few standouts, continually kept the Dons from paydirt.

Bob Roseblade
End
The Broncos made it three in a row as they tumbled Treasure Island Naval Station 12-0 on two spectacular first half scoring plays.

The opening tally came early in the game when Larry Kaaha took a handoff from Jim Derry and winged a bullseye toss to his fleet running mate Jean Ashton who galloped to the twenty three. Three plays later, speedy Jean ripped his way into the end zone from two yards out.

The ever dependable Derry took the wraps off his potent passing arm for the second score late in quarter number two. The stocky quarterback found end Bob Corboy out in front and fired a strike and the former Honolulu star hula hulaed to paydirt.

Three Bronco intramural teams sponsored by the Charles Graham Club, Kappa Zeta Phi, and the Delta Sigs brought top flight football back to Santa Clara. Playing against each other for the first two weeks, Kappa Zeta Phi won the school championship as they downed the Delta Sigs in two encounters and split their two-game series with the Charlie Graham gridmen.

Following the first two weeks, the teams swapped visits with the U.S.F. intramural footballers. These games found the Broncos walking, running and jumping all over the Dons, 51-0, 10-0 and 20-0 before the battered and bruised San Franciscans finally came up with a 20-6 victory.
The football banquet which climaxed the successful season was held in honor of the coaches and players. Those players winning awards were:

- Most valuable player: Jim Derry
- Best lineman: Phil Bannan
- Best improved lineman: Pat Carroll
- Best back: Jean Ashton
- Most inspirational player: Larry Kaah
- Most courageous player: Mike Rossi
- Hall Haynes Punting Trophy: Bob Roseblade

Frank "The Rocket" Sobrero, a three year starter, has been officially recognized among the top five hoopsters on the West Coast. The team's leading scorer. Frank's speed and deadly jump shot have kept S.C.U. on the winning side since '57.

The senior most responsible for the team's working as a unit was Jim Russi. His ball handling was surpassed only by his agile thinking and clutch shooting which really put the Broncs in the NCAA Regional Finals in Seattle.

Joe Sheaff, belatedly discovered, hurriedly and efficiently made up for lost time. His gutsy rebounding and so-called garbage shots garnered him a second string berth in the All WCAC selections with Jim Russi.

George Gardiner, plagued by injuries, did not see much action as a Senior. But his valuable set shot from outside was the decisive factor in more than one game.

After a year layoff due to serious illness, Gerry Bachich made an impressive comeback, especially in the crucial games toward the end of the season. His experience, along with that of the other departing seniors, will be sorely missed by Coach Bob Feerick next year.

Many times the underdog but never outfought, the highly under-rated Broncos knocked off four teams that were ranked tenth or better at one time or another during the season.

The second game of the season found Santa Clara dumping Southern California in the opening of the Sports Arena in Los Angeles. Two weeks later the Broncos left for the East and to the surprise of many the Feenick-led westerners smashed a mighty St. Bonaventure team. They then lost a close one to Providence College but bounced back into the winner's circle by trouncing Connecticut College.

Hawaii saw the globe trotting Broncos split a pair with the University of Hawaii and then the Santa Clarans enjoyed a much needed rest in the midst of the tight WCAC rat-race.

However, not content with basking in the glory of past victories the Broncos next big non-conference victory came at the expense of the highly ranked Aggies from Texas A&M.
S.F. State has a new system for blocking shots

Bachich tips for two

Garbage man at work
The San Francisco State game proved little more than a warm up for the Broncos as they bested the Gators 69-54, and then went on to upset Texas A&M, the seventh ranked team in the nation. Santa Clara could do no wrong as the deadly jump shot of Frank Sobrero found its mark repeatedly. The stats indicate the excellent game as we shot 54% from the floor. The final: S.C. 69, Texas A&M 55.

They can sweat it off on the court

Pete Lillevand

Nobody will kick sand in their faces
Santa Clara could do no wrong as it defeated U.S.C. 64-61 in the early season. Opening the new Sports Arena in Los Angeles, the Broncos were the dark horses of the tourney but after whipping the Trojans in the first night encounter they were the sentimental favorites of the crowd.

The second night Santa Clara lost to U.C.L.A. in an overtime battle 75-73. The Broncos were behind from the start and only the clutch shooting of Jim Russi and Joe Sheaff brought Santa Clara back into the game.
W.C.A.C. TOURNAMENT

The first annual W.C.A.C. tournament held in the U.S.F. gym found Santa Clara placing runnerup to a surprisingly strong Loyola team.

The first night the Broncos had little trouble knocking off Pepperdine 85-63. Coming back the next night, a red-hot Frank Sobrero kept Santa Clara in the money as the Gaels went down 60-54.

The final game found a group of food poisoned and weary worn basketballers take on the fine basketball team of Loyola. It wasn't the Broncos' night as they found themselves on the short end of a 70-61 score.
The first game of this series found the Broncos playing at their worst as nothing thrown up could go in. Santa Clara scored only 18 points in the first half and the second half was just as bad. Final score 44-38.

The second game was just the reverse of the first as the fired-up Broncos found the Don defense to their liking and rang up 84 points while the Dons could only scramble for 67.
Santa Clarans played some of the best basketball of the season against St. Mary's as they twice defeated their rivals from Moraga. The first game found Russi and Sheaff team up to cut the Gael defense to ribbons. Joe also out-rebounded and outplayed the over-rated Tom Meschery.

The second game was a must if the Broncs were to make it to the champ circle. Playing in Moraga cracker-box, the clutch playing of the Broncos brought home a 67-66 win.
The Tigers of C.O.P. were helpless kittens this year as they were stomped on twice by scores of 68-57 and 81-52. The first game found Joe Sheaff once again stealing the spotlight from Leroy Wright as the aggressive Garbageman outbounded one of the top rebounders in the nation.

In the second game, played in Stockton, the Tigers once again could do nothing right. This was the game in which Pete Lillevand perfected his famous 40 foot hook shot.
The Peps proved to be their usual tough selves as they defeated the Broncos the first time around in conference play 59-48. This game was highlighted by terrific defensive play on the part of both teams and was just the opposite of the defensive battle that followed the next time around.

The second game found Santa Clara hitting with uncanny accuracy. The bull's eye shooting of Jim Russi and Frank Sobrero found the Broncos too tough for the Waves. Final score: S.C. 80 — Pepperdine 74.
San Jose State gave the Broncos a mighty tough fight in the first cross-town rival bout this year before they were subdued 59-47. Ron McGee showed everyone why Sports Illustrated picked him as one of the outstanding sophomores in the nation as he hit with incredible accuracy.

The second game found Santa Clara playing fantastic ball as she played before a vast television audience. With this added incentive, the Broncs smashed the Spartowners 65-41.
The 'Rocket' shows how he made All Catholic All American

Cristina hits again

LOYOLA SERIES AND PLAYOFF

A Loyola team that was tabbed for fifth place in preseason polls surprised everyone as it tied Santa Clara for the league during the regular season.

In a tense playoff game in the neutral gym at U.S.F. the Broncos took a nip and tuck battle which saw the score change hands nine times before the final buzzer went off. The final score read S.C. 59, Loyola 53.
Facing the mighty California, the number one team in the nation, Santa Clara had a rather tough time against the Bears' impregnable defense and terrific height advantage. The final score was S.C. 49, Cal 69.

The next night Santa Clara met the nation's seventh ranked team and bowed 89 to 81. The Broncos played a tremendous game but the whistle-happy referees officiated as though they had their life savings bet on Utah.

Steve Schott, Dick Creighton and Les Powers are the only seniors retiring from the squad this year, but their loss will be hard felt. Creighton and Schott were the mainstays of the pitching staff and could always be counted on for a good job. Creighton made the C.I.B.A. All Star team for the second consecutive year. Schott will best be remembered for the two hitter he threw against California. Les Powers captained the team this year and it was through his leadership that the hustle and spirit of the team remained at its peak all season.

Although we finished in second place for the first time in the existence of the league, we gave the other teams a run for their money. We beat the champs of San Jose State three out of four, hapless St. Mary's in all four, and split with C.O.P. two and two. It was our three losses to a luck nine from U.S.F. that knocked us out of first place. All in all, the Broncos did well in a much improved league.

Experiencing a building year, the Broncos did extremely well under the circumstances, finishing in a third place tie with Stanford. In the strongest college league in the nation, the team took all four from U.C.L.A., and one from the champs, U.S.C., and the same from Stanford.

With a strong frosh club coming up, next year should be the year for the Broncos to really show their muscles and take the title.

RIFLE TEAM

WRESTLING

The world's oldest sport continued its upswing at Santa Clara this year as six school records were smashed and the Bronco cindermen engaged in their most extensive travel schedule. The team participated in the Santa Barbara Easter Relays and Long Beach State Relays; met San Francisco State, Cal Aggies, Chico State, Hartnell, Vallejo, Diablo Valley, and hosted Long Beach State in Santa Clara's first home meet in ten years.

Father Walter Schmidt made the successful season possible, and the Broncos hope to use Father's Santa Clara Youth Village when it is completed.

The following are the new school records:

Last fall Santa Clara fielded its first Cross Country team composed of Mike Yates (who set the school record), Dave Lira, Tony Carollo, Dave Shreve, Tony Gamboa, Bernie Danylchuk and Fred Baer. The thunders' lone victory was over Vallejo but this gutty group showed it will be tough to beat when it gains more experience.
